In The Name Of God

Cavosh Rah Bana Company was established on September 5th, 1997 under registration number 133808 in Tehran. The company has been founded to carry out civil projects of road-making, building and construction, and installations. It also benefits specialized human resources and capabilities that allow it, as an executive force, to offer valuable services in private sector within the framework of technical and executive system.

Presently, Chavosh Rah Bana (CRB) has at its own disposal capabilities in such domains as roads and transportation, construction, and installations and equipment. Further, the policy and strategic by-law regulation of CRB have at their core invaluable objectives such as drawing employers' satisfaction, ceaselessly promoting quality, providing in-service training for human resources, employing novel managerial systems, and conducting projects in environment-friendly ways.

The following presents a detailed account of:

1- Contractor Competency Certificate
2-CRB Structure (headquarters and projects)
3-Specialized human force and key personnel
4-List of Machinery and equipment
5-Activities related to training and development
6-An account of implemented projects
7-Letters of gratitude and appreciation; and letters of membership in technical and
8-engineering communities
9-CRB Management

Estimable Chavosh Rah Bana Company
Greetings,

It is to inform that the membership of Chavosh Rah Bana Company in Construction Companies Association has been approved by the Association's board of directors; therefore, Chavosh Rah Bana Company is regarded as a member of Construction Companies Association from the above mentioned date on.
The attention shall be given to the fact that the whole provisions of the Articles of Association as well as bylaws (the acceptance of which has been declared by the CRB Company at the beginning of applying and being accepted for membership) of the Construction Companies Association shall be conformed to. Further, sector unity entails that the Association is supported and cooperated with by CRB Company.
While informing the CRB of the receipt of Rls 12,000,000 (entrance fee) and Rls 2,400,000 (annual membership fee), it is to ask CRB to deposit a monthly membership fee of Rls 200,000 from April 21st, 2005 to the order of Construction Companies Association.
Incidentally, we appreciate your continuous contact with the Association, and also your likely suggestions and criticisms. We also want to express our gratitude for any financial support of CRB in excess of the membership fee.
Notice that continuity of membership will depend on the regular on-time payments of membership fees by the Company.
